AIM CANCELLATION POLICY

Spaces are reserved on a first deposit received basis. Once your place has been reserved, there will be a non refundable cancellation charge of \$40 per workshop or retreat prior to 50 days before the event. Any cancellations less than 50 days before the event will be charged according to expenses incurred. We will try to fill your place so that the cancellation fee is minimal; we regret when that is not possible. For the ITALY TRIP: from time of registration until July 5, the cancellation fee is \$275 per person. Any cancellations after July 5 will be charged according to expenses incurred. We reserve the right to cancel any workshop or retreat or trip. Our foreign trip costs are based on Oct 1, 2006 exchange rates. Only a severe change in rates will alter the trip cost. We recommend trip cancellation insurance which you purchase from your travel agent.
